EXPERIENCE

● Logo Designer & Graphic Designer – Subhashree Creation June 2022 – Oct 2023

Itahari, Sunsari, Nepal

Worked as a Logo Designer and Graphic Designer at Subhashree Creation, where I contributed to the creation of unique and impactful designs that met client expectations and company standards.

- Conceptualized and executed original logo designs for a wide range of products and brands.
- Collaborated closely with clients and the internal design team to refine ideas and deliver polished outcomes.
- Designed logos, flyers, banners, brochures, and promotional materials for local businesses and organizations.
- Created branding assets and social media creatives for marketing campaigns.
- Ensured all designs were optimized for both print and digital formats, especially for sublimation products.
- Stayed up to date with industry trends and incorporated innovative techniques into designs.
- Maintained high-quality standards in all print production and publication-based design projects.
- Delivered creative solutions on time by understanding project requirements and working closely with clients.

● Freelance Graphic Designer 2022

Remote / Various Clients

- Developed custom logo and branding projects for startups and small businesses.
- Designed modern social media posts, advertisements, and promotional creatives.
- Delivered professional and client-focused visual solutions with strong branding consistency.

ADDITIONAL STRENGTHS

Strong understanding of modern branding trends and visual storytelling

Experience in both digital and print-based creative design

Fast learner with excellent attention to detail and time management

Committed to delivering high-quality designs that create impact
